I have been informed that there is an underground sprinkler system in the downtown Lake City Park located at 111 S. Front St. in Lake City, Michigan. The City of Lake City Ordinance Code, SECTION 90.41 of CHAPTER 90, states: "Use of staking in the Park shall be prohibited. Structures such as tents, stands, and trailers etcetera, shall be held in place by a safe, weighted restraining system supplied by the vendor. Vendors unable to comply shall not be allowed to set up in the area."

I agree to obey the City ordinance and use no stakes that may damage the sprinkler system. If I do not comply with the ordinance, I understand that I will be charged with any damages incurred by me by the City of Lake City and I will be responsible to pay any and all repair charges and fines.
